

It mercilessly preys upon unsuspecting designers, seducing them with half-truths of exposure and success. So sinister, it can virtually pounce from anywhere when one least expects it. And if you're not fortunate enough to escape from its creativity-swindling clutches, it could leave you with paralyzing feelings of bitterness, loneliness and resentment.

It does possess a weakness—KNOWLEDGE. Go to [no-spec.com](http://no-spec.com). Arm yourself.
